

# AFA Industries is pleased to announce the availability of our **NEW CA09 CATERPILLAR® ENGINE PARTS CATALOG**

that contains coverage for CATERPILLAR® engine families  
including the 3300, 3400, C15 engines.

This 160 page catalog contains the engine parts offered by AFA to rebuild or repair the specifically cataloged engines, including In-Frame and Complete Overhaul kits and hundreds of other individual parts you may need to rebuild most Caterpillar engines. You have the ability to look up certain parts by engine serial number and arrangement numbers using this catalog and the catalog includes many part numbers used for reference only as well.

**Contact us directly for your copy of the new CA09 Caterpillar Engine Parts Catalog or your AFA sales representative.**

AFA Industries has a complete offering of engine parts for a variety of Caterpillar®, Cummins®, Detroit Diesel®, and Navistar® engines to rebuild most everything on the engine. Also available are Cylinder Components, Valve Train parts, Water and Oil pumps, Cooling System Components, Fuel System Components, and many other engine parts to help you repair most components on these engines.
