

AFA Industries is pleased to announce the availability of our new
NEW CA14 NATURAL GAS CATALOG
that contains coverage for **THREE CATERPILLAR®** engine families
and ten **TEN CUMMINS®** engine families.

This 120 page catalog contains the engine parts offered by AFA to rebuild or repair the specifically cataloged engines, including In-Frame and Complete Overhaul kits and hundreds of other individual parts you may need to rebuild these Natural Gas engines. The Caterpillar section of the catalog includes illustrations to show the specific parts and their locations to make sure you are ordering the correct part for your particular application.

AFA Industries has a complete offering of engine parts for a variety of Caterpillar® and Cummins® engines to rebuild most everything on the engine. Also available are Cylinder Components, Valve Train parts, Water and Oil pumps, Cooling System Components, Fuel System Components, and many other engine parts to help you repair most components on these engines.
