New Low Compression Overhaul Kit for CAT® C15 Engines Now Available

IF3466615 C15 ACERT LOW COMPRESSION OVERHAUL KIT

Due to popular demand from our customers, we have developed and made available this special C15 ACERT low compression overhaul kit. This overhaul kit features special friction welded low compression pistons, ring sets that are made for severe duty applications and special dual hardened liners capable of withstanding 200,000 lbs of force. These kits are in stock now. For more information, please reach out to our customer service specialists and we will be happy to assist you.
