

## AFA Industries Warranty for Replacement Parts

### Products Warranted

This warranty applies to all new engine parts sold and marketed by AFA Industries unless specifically excluded below. AFA replacement parts are warranted to be free from defects in workmanship and material under normal use and service.

### U.S.A. AND International Coverage

AFA applications are covered for 24 months, unlimited miles and unlimited hours of operation, whichever occurs first from date of first installation except Cylinder Heads & Remanufactured Fuel Injectors. The warranty for cylinder heads extends for a duration of 12 months from the date of sale. During the first 6-month period, both parts and labor are included within the coverage, while for the following 6 months, coverage applies solely to the parts. Remanufactured Fuel Injectors are covered for 18 Months from date of installation only, regardless of mileage or hours of operation. Labor is not covered on injector warranties.

### AFA responsibilities

AFA will pay for all parts and labor needed to repair the warrantable failure to the functional condition existing immediately prior to the failure, including progressive damage to the engine in which the part was installed.

Labor costs will be paid in accordance with current published labor rates at no more than published flat rate times in the geographic area in which the repairs are being performed. No overtime or holiday rates will be allowed. Only new AFA approved parts will be used in making the repair. AFA will pay for the Lubricating oil, antifreeze, filter elements, belts, hoses and other maintenance items that are not reusable due to the warrantable failure.

### Owner responsibilities

Owner is responsible for the operating and maintenance of the engine as specified in the Operating and Maintenance manuals. Before the expiration of the applicable warranty, owner must give notice to AFA of a failure considered to be warrantable.

It is the owner's responsibility to provide failed and associated parts for examination by AFA Technical Services Department in a condition that makes such examination possible. Owner is responsible for the cost of all repairs made to items other than the engine in which the parts are installed. Owner is responsible for the cost of lubricating oil antifreeze, filter elements belts, hoses and other maintenance items replaced during warranty repairs, except where such items are not reusable due to a warrantable failure.

Owner is responsible for lodging, meals and incidental costs incurred by owner or agents of owner as a result of a warrantable failure. Owner is responsible for "down-time" expenses and all business costs and losses resulting from a warrantable failure

### Warranty limitations

AFA is not responsible for failures resulting from owner or operator or third party abuse or neglect, such as: operation without adequate coolant, fuel or lubricants, over-fueling, over-speeding, lack of maintenance of lubricating, coolant or air intake systems, improper storage, starting, warms-up, run-in or shut-down practices.

AFA is not responsible for failures resulting from improper repair or installation or the use of parts not approved by AFA. This warranty DOES NOT apply to parts provided by AFA at no charge to the owner.

The warranty set forth herein are the sole warranties made by AFA in regard to its parts. NO AGENT, EMPLOYEE OR REPRESENTATIVE OF AFA HAS ANY AUTHORITY TO BIND AFA TO ANY ADDITIONAL REPRESENTATIONS OR WARRANTY. AFA makes no other warranties, express or implied, or of merchant- ability or fitness for a particular purpose.

Warranty coverage is 6 months parts and labor and 12 months for cylinder head coverage for repair, replace, or credit. Warranty coverage is 12 months for all natural gas parts. Warranty coverage on all other parts, except for injectors, is 24 months. Injectors are 18 months. Warranty coverage on parts is at internal cost of the part. Labor will be paid in accordance with published flat rate labor times to a maximum of \$60 per hour. No premium, overtime, or holiday rates will be allowed. Warranty claims must be settled within 30 days of analysis completion or will be considered finalized, and the parts will be scrapped.

*AFA does not endorse the use of its products for higher-performance modifications. The scope and impact of such modifications are unknown, and some may be identifiable by the ECM while others may not. Any modification may affect engine components, emissions compliance, service life, and overall system performance. Tampering with or altering an engine or its components in a manner that differs from the operating specifications established by the OEM for the intended application constitutes a violation of AFA's written warranty. In addition, AFA does not warrant any products that have been modified, altered, or treated after purchase, including but not limited to coating, machining, or any other form of aftermarket modification*
